

COACHING CARDS FOR ACTORS

It's like having a private acting coach in your pocket.

"Whether it serves to remind you of what you already know, or to teach you something new, these cards are a help to any actor."

~ **Hugh Grant**

Have you ever wished you could afford to have your own private coach before a big audition or job? Do you allow yourself to be intimidated by other actors at auditions or interviews? **Acting Outside The Box™** coaching cards for actors is the perfect pocket companion for every stage of an actor's career. These 45 motivational cards trigger your imagination and provide an instant connection to your natural instincts for stronger performances every time.

Separate yourself from the pack.

At auditions, on the set, or anywhere you need to focus, **Acting Outside The Box™** coaching cards for actors is a winning hand right at your fingertips.

Each set contains three effective coaching strategies:

PREPARATION

helping actors set the stage for an audition

*the more questions you ask,
the deeper your experience*

STORY

guiding actors to dig deeper into the material

*create
vividly and specifically
the circumstances
of the story*

EXPRESSION

encouraging actors to think on their feet

*know your
perspective
and your response
will come naturally*
